Intro to Google Meet

First, you'll need a Google account.
Do you have a Gmail?
Y/N
Y → sign in to [Gmail](#)

N→ set up. For convenience, you can use the link below to create a new Gmail account:
https://accounts.google.com/signup/v2/webcreateaccount?ltmpl=meet&continue=https%3A%2F%2Fmeet.google.com&o_ref=https%3A%2F%2Fwww.google.com%2F&_ga=2.66044462.1286036129.1605460568-1735574932.1605460568&flowName=GlifWebSignIn&flowEntry=SignUp&nogm=true

On a computer:
Once your new Gmail account is set up, sign in.
Access meeting through your new Gmail account on a computer

1. Open [Gmail](#).
   (Before you join your first meeting, make sure to allow permissions for your Microphone and Camera. Once you have granted permission,

   o To turn your microphone on or off, click Microphone 🎤 .

   o To turn your camera on or off, click Camera 📹 .)

2. To enter the call, click **Join a meeting** (you'll see that option on the left-hand side of your screen under the sub-heading Meet.)
3. Once you click **Join a meeting** a pop-up window will show up asking, **"Got a meeting code?"**
4. Enter the meeting code sent in the support group meeting email in the field and click **"Join"**
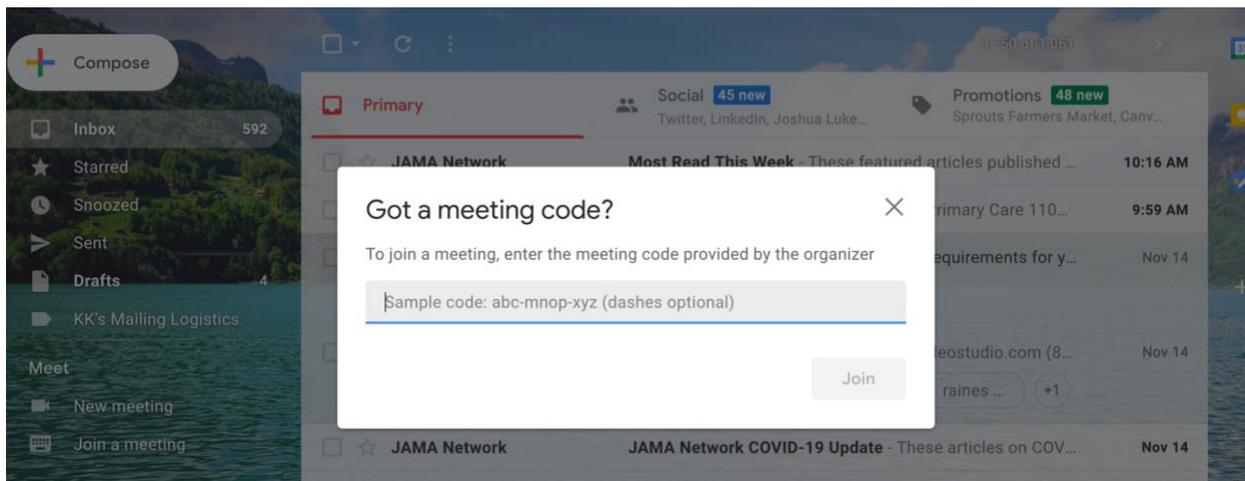

You're in!

-or-

On your smart phone or tablet:
Access meeting through an app, iPhone or Android

You'll need a Gmail account

You'll need the Google Meet App. To download the app:

> Download Google Meet app through Google Play on Android
> or
> Google Meet app through App Store on iPhone

Once downloaded, click on the Meet app to open the app

Enter the meeting code

You're in!
